UMC Student Class Wing- CW106

INSTRUCTOR:

**Sheila Snow-Croft, MA, MLIS
National Networks of Libraries of Medicine**

Sponsored by: The Mississippi Institute for Improvement of Geographic Minority Health (MIGMH); the University of Mississippi Schools of Medicine and the University of Mississippi Medical Center Division of Continuing Health Professional Education

WORKSHOP ABSTRACT:

Do you have a growing Latino population in your community? Do you need to quickly find health information in Spanish but don't know where to look? Are the only words in your Spanish vocabulary "burrito" and "gracias"? If you answered yes to these questions, then this is the class for you. This 4-hour hands-on class will cover resources for learning basic medical, and Internet Spanish vocabulary. You will also learn to evaluate and identify health websites in Spanish to which you can direct your patients.

WORKSHOP OBJECTIVES:

- Upon the completion of this session the participant should be able to:
 - Define the basics of health literacy and cultural awareness;
 - Identify some print and online resources for basic, library, medical, and web Spanish vocabulary;
 - Pronounce the letters in the Spanish alphabet;
 - Describe the criteria for evaluating health websites and evaluate online health information resources that are in Spanish; and
 - Identify reliable online Spanish health information resources.

AGENDA:

- Introduction
- Cultural Sensitivity and Health Literacy
- Spanish Language
- Spanish Vocabulary
- Break
- Evaluating Spanish Websites with exercises
- Break
- Quality Health Information in Spanish with exercises
- Evaluation and Certificates
- Dismiss
